
A RETRO, PIXEL-ART GAME which reminds you of those 90s graphic adventure classics that you couldn't forget if you tried.

A POINT AND CLICK ADVENTURE is a game genre that emphasises puzzle solving and quirky narrative. The minimalist nature of the interface allows the player to simply 'point and click' to explore the world.

FULLY VOICE-ACTED game; starring Ben Simpson and Jamie Wood

CREATED BY AN INDEPENDENT COMPANY which means that we 100% self-publish, self-fund our project and in-house all of our production

MUSIC AND SOUND DESIGN has been important to us in every game that we have created together. The Tale of Doris and the Dragon is no exception, with a haunting soundtrack by AssadB; foley and sound design by Ryan Callard.
